Decoder

Product description

High digital & microprocessor technology, strong stability, perfect and mature technique of one with one/two pads.

- Can be worked with the POS.
- With high quality power source, in HP brand.
- It can be available with one pad or two two pads

Model: IM-RFD02

Work Frequency: 8.2MHz

Scanning Frequency: 7.5 MHz – 9.0MHz

Decoding height: 5cm - 15cm

Power consumption: $\leq 5W$

Power Dimension: 140 X 100 X 30mm

Pad Dimension: 280X280mm

Packing detail: 40sets/ctn, 45x55x30cm, G.W: 30.0kgs (one pad)
